## CHAMPIONSHIP MEET – BID SHEET

**Circle the meet you are bidding to host:**

**SILVER (7/29/18)**

DIVING (7/28/18)

COUNTIES (8/4&5/18)

Pool Name: Ken Grill Recreation Center (Ken Grill Gators)

On site parking for how many vehicles: \_On site we can accommodate 160 vehicles. There is also street parking available.

Do you have preferential parking spaces for BCSA and PIAA officials: Yes parking can be reserved

Do you have an adequate public address system: In addition to our pools pa system, we have a system that is brought in for any invitational that we have. This system is able to provide adequate volume for the venue.

Please describe your locker rooms and rest rooms: Our pool has 4 bathroom/locker rooms. There are a set of girl and boy bath rooms located in our upper pavilion and two located at our lower pool. Each bathroom has 4 toilets, a shower, and 4 changing stalls.

Spectator seating for how many people: Our bleachers can accommodate 110 – 125 people

Please describe your scoreboard: We do not have a score board.

Will you be charging an admission fee? Please explain: As with past silver meets we will charge a \$3.00 entry fee.

Will water and lunches be provided for the BCSA and PIAA officials? Please explain: Yes. A main lunch item, snack item, and drink will be provided for lunch, as well as unlimited water.

Do you have an area at minimum 20'x40' located within 20 feet of the starting end for a scorer's tent: Yes, as demonstrated this past year we have the room. We also have two 20x30 tents that can be used for the scorer's tent, timing system, and awards.

**Please complete the next section if you are bidding on SILVER or COUNTIES only:**

Length of Pool: 25 meters

Number of Lanes: 6 lanes

Depth of pool at starting and turning ends: The pool is 4 ½ feet at the starting blocks and 5 ½ feet at the turns. Water can be added if needed.

Do you have a separate pool for cooling down: If needed we have the use of the deeper end of our lower pool that could be used for cooling down.

Do you have legal backstroke flags in accordance with USA Swimming rules: Yes

Do you have a recall rope in accordance with USA Swimming rules: This is being purchased and installed prior to the 2018-2019 summer season.

Please describe your electronic timing system: We are able to loan and have use of the Governor Mifflin Colorado timing system. This includes plungers for both ends of the pool. We also have 5 additional blocks and will be getting a 6<sup>th</sup> so that we can have blocks at both ends of our pool which will eliminate the need for timers to switch ends of the pool.

Do you have adequate land area for 25 teams to set up their team tents: Yes.
